Speed Talking Session.

BUSINESS CLASS UNDERTAKING A MEETING

Certificate IV in Business students demonstrated their meeting skills for their recent 'Organise Meetings' unit (some even going all out with catering requirements for their team meeting).

Demonstration of agenda preparation, group discussion and recording meeting minutes were the outcomes achieved during the session. Well done all!

PATHWAYS FOR DIP IT

DEVELOP TEAMS AND INDIVIDUALS GROUP ACTIVITY

The recent 'Develop teams and individuals' unit (BSBLED401) enabled some interactivity across Certificate IV in Business classes.

Students demonstrated their group work skills by designing and carrying out a team building activity for the lesson.

Students determined their individual learning styles and that of their group members and applied coaching and mentoring skills with each other to see their team to the finish line.

A job well done teams!
